Will complain to EC: Mamata accuses PM Modi of 'vote marketing' in Bangladesh

West Bengal : West Bengal chief minister Mamata Banerjee on Saturday accused Prime Minister Narendra Modi of violating the Election Commission of India's model code of conduct by addressing people in Bangladesh, where he is on a two-day visit, saying people in her state and Assam are still voting for the assembly elections. "Elections are underway here and he [PM] goes to Bangladesh and lectures on Bengal. It is a total violation of code of conduct of the election," Banerjee said

in Kharagpur, according to news agency ANI. Phase one of polling in West Bengal and Assam is being held on Saturday. In this phase, in West Bengal, more than 73 lakh voters will decide the fate of 191 candidates across 30 assembly segments -- nine in Purulia, four in Bankura, four in Jhargram, six in Paschim Medinipur, and seven in Purba Medinipur. CM Banerjee also spoke about Bangladeshi actor Ghazi Abdul Noor

who attended a rally organised by her Trinamool Congress in 2019 and was served a 'Leave India' notice for allegedly campaigning for the party in violation of the poll code. "In the 2019 Lok Sabha polls, when a Bangladeshi actor attended our rally, the BJP spoke to the Bangladesh government and cancelled his visa. When polls are underway here, you [PM] go to Bangladesh to seek votes from one section of people, why shouldn't your visa be cancelled? We will complain to EC," she said. Sharpening her attack, the chief minister also accused PM Modi of 'vote marketing' in Bangladesh. "Sometimes they say Mamata has brought people from Bangladesh and aided in infiltration. But he [PM] himself goes to Bangladesh for vote marketing," she said. Meanwhile, PM Modi, as part of his visit to the neighbouring

country, visited Orakandi village to pay tributes to the founder of the Matua community, Harichand Thakur. On meeting the community, he said he felt the same emotions as felt by Matua community members in India. Matuas are a Hindu community spread across in West Bengal. "I was speaking to some people here. They were saying who could have thought that India's Prime Minister would visit Orakandi. I am feeling the same emotions my Matua brothers and sisters in India feel coming to Orakandi," PM Modi said after meeting them. The Bharatiya Janata Party, which has said it will win over 200 of the 294 seats in West Bengal, has not reacted to Banerjee's charges. Voting for phase one will get over at 6pm. Phases two to seven will take place on April 1, 6, 10, 17, 22, 26 and 29 in West Bengal and counting of votes will be conducted on May 2.

At Bangladesh's Jeshoreshwari Kali Temple, PM Modi Prays to 'Free Human Race from Covid-19'

Bangladesh : On the second day of his visit to Bangladesh, Prime Minister Narendra Modi on Saturday offered prayers at Jeshoreshwari Kali Temple in Ishwaripur, Satkhira district. "Today, I got the opportunity to visit this Shaktipeeth to pay obeisance to Maa Kali. I prayed to her to free the human race from COVID-19," he said. PM Modi on Friday arrived in Bangladesh on a two-day visit to the nation, his first tour to a foreign country since the Covid-19 outbreak last year. He was received by his Bangladeshi counterpart Sheikh Hasina at Hazrat Shahjalal International Airport in Dhaka. He hailed Bangabandhu Sheikh Mujibur Rahman's leadership and contribution of the Indian Army in Bangladesh's 1971 freedom war as he joined President Abdul Hamid and his

counterpart Sheikh Hasina in celebrating the country's 50 years of independence here. Bangladesh PM Hasina got emotional as she

Rahman with Gandhi Peace Prize," said Modi. The Gandhi Peace Prize 2020 was conferred on Bangabandhu early this week. It was for

on the people in then East Pakistan (now Bangladesh) used to distract people in India. "I must have been 20-22 years old when I and my colleagues did Satyagraha for Bangladesh's freedom," he told the gathering. Modi said both India and Bangladesh have the power of democracy and vision for the future, and it is necessary for the region the two countries progress together. "That is why Indian and Bangladeshi governments are making meaningful efforts in this direction," he said. "We must remember that we've similar opportunities in fields of trade and commerce, but at the same time, we've similar threats like terrorism. The ideas and powers behind such types of inhumane acts are still active. We must remain vigilant and united to counter them, he added.

paid a tribute to late Indian Prime Minister Indira Gandhi in her National Day speech. "This is one of the most memorable days of my life. I am grateful that Bangladesh has included me in this event. I am grateful that Bangladesh has invited India to take part in this function. It is a matter of our pride that we got the opportunity to honour Sheikh Mujibur

the first time that the award was given away posthumously. At the beginning of the programme, Modi handed over the Gandhi Peace Prize to Bangabandhu's daughters Prime Minister Hasina and her sister Sheikh Rehana. Recalling the 1971 war of independence, Modi said the pictures of atrocities that the Pakistan Army inflicted

Courtrooms to shrink in future thanks to technology: CJJ Bobde

New Delhi : Chief Justice of India S A Bobde on Saturday said that courtrooms and court complexes would become smaller in future due to technological interventions. He also said that although the coronavirus pandemic has posed challenges in access to justice, it has paved the way for modernising courtrooms. The CJJ was addressing a gathering after inaugurating a new building for the Goa Bench of Bombay High Court at Porvorim near here. Union Law and Justice, Communications, Electronics and Information Technology Minister Ravi Shankar Prasad, Goa Chief Minister Pramod Sawant and others were also present on the occasion. "I see a trend of having smaller courtrooms in the future because of Ravi Shankar Prasad's ministry. The e-filing and data which can be contained is going to take away the need for many storage rooms and many rooms which are necessary for storing papers.

The SC has done its bit on issues of court infrastructure. It has devised benchmarks and frameworks for minimum standards," he said in his speech. The CJJ said that the discussion on infrastructure has largely been on the quantitative part, that is on building more courtrooms. "Though building more courtrooms is necessary and important, there was very little emphasis on modernising the existing courtrooms. Though the pandemic has posed a lot of problems to access to justice, it has paved the way for modernising the courtroom," he said. The CJJ also stressed

the need to have a new building for the Bombay High Court in Mumbai. "Bombay (High Court) also needs a new building. The Bombay building was constructed for seven judges. It is now housing more than 40. It is impossible," he said. On the judiciary in Goa, an erstwhile Portuguese colony, the CJJ said that the legacy of justice in Goa spans more than four-and-a-half centuries. I am including the period before the liberation contrary to many other areas. Even though it was not part of Indian union, there was well-established system of administration or justice," the CJP said.

3 labourers die after being sent to paint underground gas tank in Ambernath

Ambernath : Three labourers died after they went inside in a gas tank of Easter Chemical Company in Ambernath area to paint it without any protective gear on Saturday, Maharashtra Industrial Development Corporation (MIDC) fire brigade officials said. The trio was engaged by a contractor and was sent inside the underground gas tank without any safety gear. They died after inhaling hazardous gas, said a fire brigade officer. "The trio went inside the 30 feet tank situated underground, around 8 am, on

Saturday morning. But after some hours when the watchman went to see them, he found them unconscious. They wasted time in hierarchical rules and informed us after two hours of the incident," said fire department official who did not wish to be named. Firefighters went inside the tank and brought all three of them out, but they had succumbed by then. Ambernath police officials and fire team are investigating the matter. The bodies were sent for post mortem. Police are yet to confirm their identities.
